

PACKING SPECIFICATION

Sleeves: Welding, Split-Type

1. **REQUIREMENTS:** These requirements are in addition to those listed in 9 CAT specifications, material master descriptions, drawings and Aramco Packing Specification 8314-0 and apply only to the materials indicated. Deviations from these requirements are not allowed without prior written approval from the Procurement Planner.
 - 1.1. Except for “corrugated” welding pipe sleeves in CCNs 020769ASAB, 020769ASAD and 020769ASAF, welding pipe sleeves manufactured shall be shipped/delivered on steel base skids.
 - 1.2. Each individual item shall be stenciled or tagged with markings showing the manufacturer’s name and the material name (including size) and 9 CAT number(s). The stenciled or tagged markings must be of a nature to remain legible after prolonged exposure to sunlight, moisture, heat, industrial fumes, and/or dust.
